

ORAL PRESENTATIONS

Dear speakers, please, plan your presentation time including 5 minutes for questions.

Only PowerPoint presentations made in Microsoft Office 2003, 2007 or XP can be accepted. Use embedded pictures and animations only; picture and animation links to the Internet or to other files will not be accessible.

Slide projectors or overhead projectors are NOT available during the BGRS\SB'14 Conference.

Please, take into account that it will not be possible for you to load your presentation during the session by yourselves. Presentations are loaded on the main computer by the technician of the Organizing Committee only.

To ensure that the presentations are well prepared and compatible with the main presentation computer, we strongly advise you to bring your materials as PowerPoint files on USB device or CD disk to the Room no. 200 at the House of Scientists and check the presentation with the technician of the Organizing Committee **not later than 30 min** before the start time of the session where you are presenting. This will prevent any confusion when loading the presentations on the main computer.

You may also bring your laptop for copying your presentation to the main presentation computer. Use of your own laptop during your presentation is not recommended.

If you have any questions, please do not hesitate to contact the Organizing Committee in Room No. 200 at the House of Scientists.

POSTER SESSION AND COMPUTER DEMONSTRATION

Poster Size: The maximum size allowed for each poster
is 0.7m wide × 1.2m high.

Please note that this is a portrait (vertical) poster.

Authors must bring their posters printed and ready, as no facilities to produce posters at the Conference are available. Organizers will provide boards and push pins to display your posters. Posters should be readable from a distance of about two to three feet—for easy reading by several people at one time.

The poster reports are subdivided into the groups according to the scientific sessions' schedule. The posters being presented during the subject scientific session shall be posted starting from 9:00 to 20:00 in the Small (or Large) Conference Hall Foyer.

Material should be removed soon after the ending of the poster session. In the case the author(s) does not take away the poster, it will be removed by the BGRS\SB'14 Organizing Committee.
