

ABSTRACT FORMAT REQUIREMENTS

Materials for publication must be submitted no later than May 10, 2019 in electronic form with a note "Abstract_OM2019" to oncomarkers2019@yandex.ru.

IMPORTANT: The **file name must be** typed in Latin letters and correspond to the name and initials of the first author, the direction of the conference and the form of participation. For example: Ivanov I.I._Pathological morphology_full participation.

Abstract format requirements for publication:

- 1-3 pages in electronic format;
- text editor – Microsoft Word;
- font – Times New Roman, size 12;
- line spacing – single;
- margins – 2 cm above and below, 3 cm left and right;
- drawings, graphics, pictures including color, are allowed in the text.

Abstract languages:

1. The title must be presented in Russian **and** in English.
2. Abstract summary must be presented in Russian **and** in English.
3. Abstract text must be either in Russian **or** in English.
4. If you wish you can specify your email address for communication.

ABSTRACT EXAMPLE

DEVELOPMENT OF THE PROGRAM COMPLEX FOR INVESTIGATION OF CODING SEQUENCES OF GENES AND THEIR PARTS ASSOCIATED WITH DISEASES

Abstract. We have developed program complex for preparation and analysis of targeted sequencing of gene exons and their parts associated with diseases. The complex has the following features: automatic primer design, trimming primers sequences from the reads, processing of the reads and variant calling.

Keywords: primer design, NGS, targeted sequencing, data analysis

*The following is an abstract text **in one of two** languages.*
