

Organizing Committee of the International Conference
"Inverse and Ill-Posed Problems of Mathematical Physics" announces
the satellite Seminar **"Nonclassical Equations of Mathematical Physics"**

The Seminar is organized by the Sobolev Institute of Mathematics, Ammosov North-Eastern Federal University and Novosibirsk State University.

The Seminar will be held in Novosibirsk during the conference days — 8-12 August, 2012.

To participate in the Seminar **register** on the website of the conference —
<http://conf.nsc.ru/lavr80>

Visit this website to find more details. There are news which are constantly updated.

The Seminar has the following **sections**:

- Nonclassical equations of mathematical physics
- Equations of mixed type
- Nonclassical boundary value problems, mathematical modeling and related topics

Arrival dates for the participants of the Seminar are August 5 (same as for conference participants) or August 7. We plan to reserve rooms in the hotels of Akademgorodok.

The official **languages** of the Seminar: Russian and English.

Important dates:

- May 5, 2012, registration deadline
- May 5, 2012, deadline for abstracts
- June 5, 2012, notifications of acceptance of talk

Please let us know the date of your arrival (August 5, 7, or the other date) until July 20, 2012.

Seminar abstracts will be printed by the Seminar opening. As a result of the Seminar we plan to publish the Proceedings of the Seminar.
