3. Germany , Japan – 10
4. Czech Republic – 5
5. USA – 4
6. Bulgaria , Iran , Italy,  
New Zealand, Poland, Taiwan - 1

# Proceedings of SCAN'2012

will be published in the open electronic journal  
*Reliable Computing*

[http://interval.louisiana.edu/  
reliable-computing-journal/RC.html](http://interval.louisiana.edu/reliable-computing-journal/RC.html)

Deadline for the submissions is

**December 30, 2012**

# Proceedings of SCAN'2012

Deadline for the submissions is

**December 30, 2012**

Provide your submissions

with the mark 'SCAN'2012'

# Proceedings of SCAN'2012

---

No page limit per article

# Proceedings of SCAN'2012

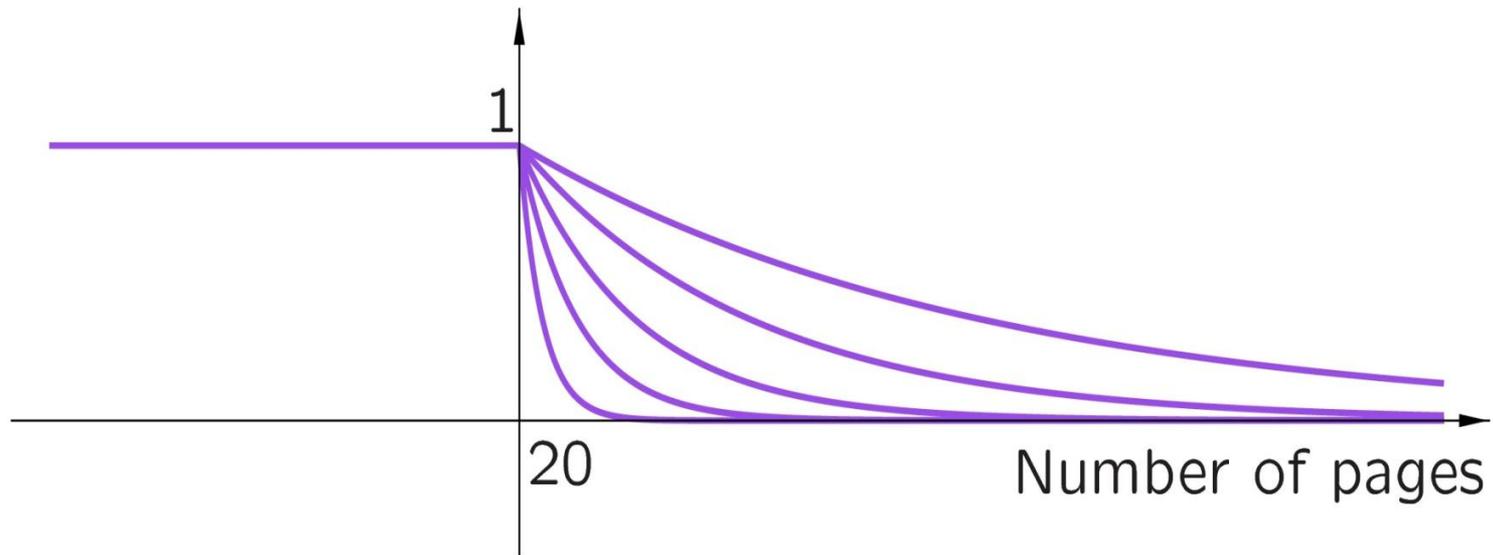

No page limit per article,

BUT

I hope for your prudence

# Proceedings of SCAN'2012

The graph of admissibility of a paper as depending on the number of its pages

Various graphs correspond to various weather conditions, thickness of snow mantle in Novosibirsk, etc.

# Presentations at SCAN'2012

We can put them onto **SCAN'2012** web site <http://conf.nsc.ru/scan2012>

You are invited

to provide us with them

# Pictures of SCAN'2012

We will put them onto **SCAN'2012** web  
site <http://conf.nsc.ru/scan2012>

This is our joint history,  
send us your pictures !

Good bye,  
**SCAN'2012**

Welcome to  
**SCAN'2014**

**SCAN'2014**
